## WORK EXPERIENCE

### TRANSLATOR FAIRMORMON

2024-

Interpreter and translation of taks for the fairmormon annual conference

### RESEARCH ASSISTANT PSYCHOLOGY DEPARTMENT -BYU

2022 - .

As a research assistant I collaborated with teams of university professors on qualitative and quantitative research on marginalized groups, brain injury, sleep-related health, and eating disorders. In this context I am co-author of the following publications which are currently in revision:

- **Publication:** "God Doesn't Make Mistakes": A Meta-synthesis of the Experiences of Sexually Minoritized Students at Religious Universities
- **Pubblicazione:** Navigating Sexual Minority Identity Conflict at a Religious University
- **Poster:** Morning Mindfulness and Procrastination in College Students. Presented at the "Mary Lou Fulton Conference". The research was awarded 4th place among the most interesting research

### LAB ASSISTANT ITALIAN DEPARTMENT - BYU

2022 - .

As a laboratory assistant I interact with students, correcting their homework and supporting them in the study of Italian grammar. Furthermore, I was in charge of teaching some lessons focused on on inclusiveness and stereotypes about Italy. I also participated in the writing of the department's new advanced grammar book.

### TEACHERS' ASSISTANT AND LINGUISTIC FACILITATOR CASA ITALIANA - BYU

2023 - .

BYU's Italian House is a language immersion environment where students deepen their knowledge of the Italian language by taking advantage of the presence of a native speaker. Among my duties, I teach weekly and judge their improvement by giving a final grade.
